

Verdad 2008 Tempranillo “Sawyer Lindquist Vineyard”

Tasting Notes:

This gorgeous wine exhibits black cherry aromas, flavors of tart cherries and ripe plums framed by smoky spice notes. This wine has a velvety texture on the palate with great depth and a long, lingering finish. The grapes for the wines are from our biodynamic Sawyer Lindquist Vineyard, which was Demeter certified in 2009.

Technical

Tempranillo Pesquera clone, Sawyer Lindquist Vineyard 90%

Harvested September 26, 2008

3.38 Tons
