- ❖ Native yeast fermentation in cool temperature controlled stainless steel tank and neutral barrels

- ❖ Bottled on March 31, 2011

- ❖ Alcohol 13.3%

- ❖ Production 386 cases

This wine has lovely lime blossom and white flower aromas. It is lush on the palate with a defined mineral backbone and flavors of white peaches and apricots accented with hints of limes and meyer lemons. The wine has beautiful definition and length with a hint of bitter almonds and crisp citrus flavors on the finish.
